

IEEE VCACS 2015 Submission Checklist:

I, the corresponding author, have included the following items in my manuscript submission (place an x):

1) Paper manuscript in the IEEE standard two-column format (http://www.ieee.org/conferences_events/conferences/publishing/templates.html). (Minimum 4 pages, Maximum 10 pages recommended – no overlength page charges)

2) A video (up to two minutes) demonstrating a working prototype.

3) An Appendix containing the source code for all microcontrollers and signal processing algorithms.

4) An Appendix containing CAD files for circuit designs and simulations.

5) An Appendix containing PCB layouts (if applicable).

6) An Appendix containing design details and CAD files for mechanical portions of the prototype (if applicable).

By signing this form, I acknowledge that I am releasing the intellectual property described in this manuscript and its appendices for use by the general public. Also, I am verifying that I have access to the Internet and can use Google Hangouts to deliver my 12-minute, virtual conference presentation.
