

IEEE Engineering in Medicine and Biology Society Achievement & Service Awards

CALL FOR NOMINATIONS

Submission Deadline: 29 January 2016

Nominations are being sought for the following IEEE Engineering in Medicine and Biology Society Awards for 2016. Each award recipient will receive a plaque, an honorarium, and reimbursement in travel expenses associated with attending the EMBS Awards Presentation at the 38th Annual International Conference of the Society. The 2016 conference will be held in Lake Buena Vista, FL (Orlando), 16-20 August 2016 (<http://embs.org/2016/>).

ACADEMIC CAREER ACHIEVEMENT AWARD

Honorarium \$2,500 USD/Travel Reimbursement up to \$1,500 USD

For outstanding contribution and achievement in the field of Biomedical Engineering as an educator, researcher, developer, or administrator who has a distinguished career of 20 years or more in the field of biomedical engineering. Accomplishments may be technological or theoretical and need not have preceded the award date by any specific period of time. Individual must be a current member of EMBS.

PROFESSIONAL CAREER ACHIEVEMENT AWARD

Honorarium \$2,500 USD/Travel Reimbursement up to \$1,500 USD

For outstanding contribution advancing Biomedical Engineering and its professional practices as a practicing biomedical engineer working in industry, government or other applied areas related to biomedical engineering who has a distinguished career of 20 years or more. Accomplishments include, but are not limited to, technological advances, improvements in processes, or development of new products or procedures, and need not have preceded the award date by any specified period of time. Individual must be a current member of EMBS.

EARLY CAREER ACHIEVEMENT AWARD

Honorarium \$1,000 USD/Travel Reimbursement up to \$1,500 USD

For significant contributions to the field of biomedical engineering as evidenced by innovative research design, product development, patents, and/or publications made by an individual who is within 10 years of completing their highest degree at the time of the nomination and must be a current member of EMBS.

DISTINGUISHED SERVICE AWARD

Honorarium \$1,000 USD/Travel Reimbursement up to \$1,500 USD

For outstanding service and contributions to the Engineering in Medicine and Biology Society. Accomplishments should be related to direct Society service and need not have preceded the award date by any specific period of time and individual must be a current member of EMBS.

Nomination Procedure

The required nomination packet consists of a two-page nomination form (see <http://www.embs.org/award-nomination-announcement>), a current CV and letters from three references along with their address, telephone, facsimile number and e-mail address. Please include a 300 d.p.i. jpeg image that measures between 1 and 2 inches of the nominated candidate. *It is the responsibility of the nominator to contact the references and solicit letters of endorsement.*

The complete nomination packet must be submitted online at <http://www.embs.org/award-nomination-announcement> and received no later than 29 January 2016 for the nominee to be considered for 2016. It is very desirable for nominations to be submitted well before the deadline.
