**Total estimated published color pages \_\_\_\_\_;**

Since your manuscript contains color illustrations, it will be necessary to pay the additional cost of reproducing these images, should the manuscript be accepted. The exact costs have to be determined for each case by the publisher. In general, these costs range from \$1500 to \$2000. It would be in addition to any page charges that you would pay. Unfortunately, these color illustration charges are mandatory and must be paid if the color illustrations are published.

CHECK ONE OF THE FOLLOWING OPTIONS AND SIGN THE FORM BELOW:

I confirm my willingness to keep the color figure(s) inside my manuscript and I agree to pay it/them: \_\_\_\_\_  
I elect to keep black and white figure(s) in my manuscript: \_\_\_\_\_

You will receive billing from the IEEE New York Office. Forward your payment with a check made payable to IEEE-GEMB to the address on the invoice. Please do not send payment until you receive an invoice from IEEE which will be sent to you after your paper is published. If you require an invoice prior to publication, please contact the Editor.
