The mandatory overlength page charge is \$250.00 per page. This payment is required for all Regular papers beyond the published eight (8) page limit, for Communications beyond the published three (3) page limit, for TBME Letters beyond the four (4) page limit, and for Review papers beyond the published fifteen (15) page limit.

Your overlength estimated mandatory page charge is _____ x \$250.00 = \$_____.

Reprints may be obtained at an extra charge and may be ordered on the form sent to you at the time you receive your galley proofs.

An alternate option to the above mandatory page charge plan is the following. You may elect to pay the charge of \$110.00 per page for the total estimated published pages. Under this plan, your payment entitles you to 100 reprints without additional charge. For this option, your total estimated published page charge is

_____ x \$110.00 = \$_____.

This charge is voluntary for manuscripts of eight or fewer printed pages. Authors are encouraged to pay this charge to help defray the cost of publication.

Additional reprints may be obtained at an extra charge and may be ordered on the form sent to you at the time you receive your galley proofs.
